Our firm represents Simone Marshall and Simon Goldberg, and acts on behalf of the members of Empower The People PMA ("EtP") in relation to its confidential and proprietary materials and the violation of their rights. This letter serves as a formal follow-up to the cease-and-desist notice served upon you on 21 July 2025.

Ms. Marshall and Mr. Goldberg are the owners of the Intellectual Property that has been unlawfully and knowingly obtained, reproduced, and distributed by you, and EtP is the licensed user of that material.

Despite being served notice in July, you have continued and escalated your unlawful activities, which constitute willful infringement and intentional misconduct. It has been determined that you have:

1. published and republished private, confidential, and proprietary materials, including internal documents, NDAs, contracts, financial records, internal meeting materials, and staff images;
2. uploaded and distributed copyrighted educational content belonging to our clients without authorization;
3. published false and defamatory statements concerning Mr. Goldberg;
4. engaged in targeted harassment, including directing others to mirror, republish, and download stolen materials;
5. coordinated with individuals currently facing criminal prosecution in the United Kingdom for harassment involving the same materials and issues;
6. your intentional interference with ongoing criminal proceedings in the UK; and

7. updated your websites as recently as October 2025 to include additional stolen, copyrighted, and confidential content.

Your conduct is knowing, willful, and malicious, and constitutes violations of federal and state law, including but not limited to:

1. Copyright Act (17 U.S.C. § 101 et seq.)
2. Invasion of privacy / public disclosure of private facts
3. Harassment and intentional infliction of emotional distress
4. Misappropriation of confidential information
5. Tortious interference
6. Defamation and malicious falsehood
7. Misappropriation and infringement of Intellectual Property owned by Ms. Marshall and Mr. Goldberg

You are now on clear notice that your actions are unlawful.

Demands

Our Client has previously provided you with an opportunity to voluntarily comply with its prior demands, and you have failed to do so.

Accordingly, you are hereby directed to take the following actions within **ten (10) days** of the service of this letter:

1. **Cease and desist all further publication**

   Immediately cease any further publication, distribution, or dissemination of materials relating to Ms. Marshall, Mr. Goldberg, or EtP.

2. **Remove all existing materials**

   Remove all materials relating to our clients from any website, platform, or digital repository under your control or influence, including but not limited to:

   (a) mctoon.net

   (b) archive.org

   (c) letmeexpose.is

   (d) theentrepreneurtab.com

   (e) scam.earth

(f) youtube.com

(g) any mirrors, backups, or derivative postings

3. **Preserve all evidence**

You are instructed to preserve all documents, files, communications, metadata, logs, and records relating to:

(a) your acquisition of the materials,

(b) your publication of the materials,

(c) your communications with third parties (including the UK defendants),

(d) your hosting arrangements,

(e) and any attempts to delete or alter evidence.

Destruction or alteration of evidence will be treated as spoliation and raised with the court.

4. **Destroy all confidential materials**

Permanently destroy all confidential, proprietary, or copyrighted materials belonging to our clients that are in your possession, custody, or control. This includes all Intellectual Property owned by Ms. Marshall and Mr. Goldberg, whether in original or derivative form. This requirement does not override your obligation to preserve evidence as set out above.

5. **Provide written confirmation**

Provide written confirmation of full compliance with the above demands.

Failure to comply will result in the pursuit of all available remedies under applicable state and federal law, without further notice to you.

Notice of further action

If you fail to comply within the stated timeframe, our clients will proceed with legal action in state and/or federal court, seeking:

1. injunctive relief,
2. statutory damages for willful copyright infringement,
3. compensatory and punitive damages,
4. attorney's fees and costs,
5. and any other relief available under applicable law.

Your continued publication after the July 2025 notice will be presented as evidence of willfulness, significantly increasing your financial exposure.

Our clients prefer to resolve this matter without litigation, but they are fully prepared to proceed and will do so without further notice to you.

This letter is sent without prejudice to all rights and remedies available to our clients.

You may respond to our office via email or mail.

Sincerely Yours,
